HOUSING SERVICES DIVISION
521 PINE AVENUE

January 26, 2016

The Albany Housing Authority provides decent, safe, and affordable housing to residents. We are dedicated to forming partnerships with community organizations, who share the interest of improving the quality of living for our residents.

The Albany Housing Authority is proud to begin a partnership, collaborative effort with Reese's Helping Hands. Plans are currently being discussed to provide free summer breakfast and lunch for youth ages 5-18 at four Albany Housing Authority sites. The program will also include literary skills, youth tutoring, nutrition education, physical fitness and mentoring.

Please contact me for any questions or concerns.

Sincerely,

Danita Wiggins

Asst. Director to the ED for CHOICE
